**Produce for Kids® Hosts a School-Based Healthy Eating Campaign!  
And the Grand Prize winner is...Evangel Christian School!**

Long Island City, NY- Over 100 schools across the country submitted entries that encouraged students to be healthier by eating more fruit and vegetables through the Produce For Kids Annual "Play with your Produce Healthy Challenge" contest. The Evangel Christian School project was judged to be among the top three highest rated submissions and was chosen as a Grand Prize Winner!

*"Evangel did a great job of helping kids learn about eating fresh fruits and veggies in a very fun and educational way!"* said John Avola of Produce For Kids.

Evangel would like to share their video and pictures with other school's and families to inspire their children to eat healthier. Just visit [www.ecsnyc.org](http://www.ecsnyc.org), click on Galleries, and then click Healthy Eating to view the video and pictures. This information will also be listed in the near future on the Produce For Kids website at [www.produceforkids.org](http://www.produceforkids.org).

Congratulations to everyone at Evangel Christian School and especially to Mrs. Emestica's 5<sup>th</sup> Grade class! By combining learning with hands-on fun we can combat childhood obesity one class and one child at a time!
