Dear Friends:

I send my warm regards to the Evangel Christian School on its 25th Year Anniversary of service to our neighborhood's children.

Quality education is crucial to supporting and nurturing young people. Evangel Christian School has created a multi-cultural community where integrity, academic excellence, faith, leadership and service are fostered in each student. I commend the school on the variety of classes and programs that are offered. In addition, the school's scholarship program has opened the doors to a wider community.

The school's staff and administration have made an invaluable commitment to nurturing young people. The school's mission of inspiring students academically, socially, physically and spiritually is helping to raise tomorrow's leaders.

I congratulate the school on this important milestone and look forward to continued collaboration and partnership in the years to come.

Sincerely,

A handwritten signature in cursive script that reads "Jimmy Van Bramer".
